Dear Licensee,

Our records indicate that, as of the date of this letter, you have not renewed your Supervised Lending license with the South Carolina Board of Financial Institution (“BOFI”) to continue conducting business after February 1, 2021.

Please be advised that you must renew your license through the National Multistate Licensing System and Registry (NMLS) on or before February 1, 2020. If you fail to renew your license by this date, your license will expire, and you will be required to cease all operations until it is reinstated.

As NMLS is a relatively new system to licensees in South Carolina, we strongly recommend beginning the process as soon as possible to avoid any delay in your submission. If you have questions regarding your NMLS submission, you may call their customer service support at 1-855-665-7123. The NMLS Call Center operates Monday through Friday 9:00 a.m. to 9:00 p.m.

BOFI will not provide extensions of the February 1, 2021 deadline for completing the renewal process through NMLS.

Thank you in advance for your prompt attention to this matter.

Sincerely,

Ron Bodvake
Commissioner of Consumer Finance
